While most fasteners listed in this catalogue are stock lines, in the event of an item not being in stock at the time of your enquiry, we are generally able to supply within 7-10 working days. All stainless steel fasteners listed are A2/302 grade Stainless Steel. Most popular sizes are also available in A4/316, However please check availability. A large range of specialty nylon fasteners are available. Please enquire as to availability of sizes.

Micro Fasteners Pty Ltd was established in 1989 supplying fasteners to industry Australia wide. Our reputation for a quality product and service has seen us grow to become a leading importer and supplier to manufacturers in all areas including lighting manufacture, construction, furniture, electronics, electrical and general manufacturing.

Carrying over 12000 different lines, and as authorised agents for leading brand specialty products, you can be assured we have just what you want. In addition to the comprehensive range in this catalogue, we also carry a full range of standard fasteners and have the ability to arrange manufacture of OEM parts to your drawing or specifications.

**Micro Fasteners Pty Ltd is an Australian owned
and family operated company**
